Dear Friend of the Foundation,

The Great Bridge Battlefield & Waterways History Foundation is proud to now be under construction for Phase I of our Museum / Visitor Center. As a nonprofit raising funds, we rely on grants, private and public donations, and fundraising to meet our operational and financial obligations. We continually work together with the next generation of leaders to offer fun and exciting ways to bring history to life and share the methods of the past for future generations. To that end, this April we are thrilled to bring back our popular Revolutionary Beer Fest for its third year and invite you to be a part of this exciting fundraising event:

3rd Annual Revolutionary Beer Fest

Saturday, April 21, 2018, 1 - 6 PM

Khedive Shrine Center

645 Woodlake Dr, Chesapeake, VA 23320

Indoor AND Outdoor Event

ADULTS ONLY - 21 and over

Experience the Revolutionary Beer Fest and celebrate amber suds with historical reverence. We will pay tribute to the history of beer from the earliest days of our nation all the way to today's beer and cider breweries. Docents and Reenactors will be dressed in period attire, and be sure to visit our very own colonial style tavern! More interested in beer and less in the history? That's okay too. The event features unlimited free samples of 28 beers from 14 breweries, food available for purchase from your favorite local food trucks, vendors, live music, and more!

The Foundation would be honored to have you join us this year as a sponsor. Special events such as this raise both public awareness and vital funding for the Battlefield & Waterways Park and Museum / Visitor Center. Without the support of the community and businesses like you, these events would not be possible. We have need for both corporate sponsorships and donations, and as a 501c3 non-profit organization, your donation to our cause may be tax deductible. Please call the Foundation at 757-482-4480 to discuss your personalized sponsorship today! Thank you in advance for your consideration, and I look forward to seeing you at our Revolutionary Beer Fest!

Best regards,

Lin Olsen
